## City Mosquitoes Under Control, Says Health Aid

City Health Officer Dr. Victor Stallone Jr. told the City Council Tuesday night that Albany's "mosquito abatement is adequately under control."

The Council called for the health officer's opinion last week after Councilwoman Mrs. Kathie Zahn proposed that the city take the necessary steps to join the Alameda County Mosquito Abatement District.

Dr. Stallone said in a written opinion that "there are two distinct areas in Albany where there are multiple mosquitoes—around the Southern Pacific tracks in back of the housing project and the swamp land north of Adams St. You can be assured that these areas are well serviced and checked periodically and also upon receipt of individual complaints."

Dr. Stallone added that "since the mosquito abatement district has come up repeatedly during my term of office, I still believe and feel that it is unnecessary in a city of our size and circumstance. I honestly believe that this is a political type of maneuver which I can neither condone nor disagree with. As far as the public health of the city of Albany is concerned, mosquito abatement is adequately under control."

Mrs. Zahn criticized Dr. Stallone's opinion, stating that "he is a poor health officer when he belittles the importance of the mosquito problem."

On a motion of Mrs. Zahn, the issue was held over one week for further study.

The Albany Civil Service Board announced that examinations for posts in the Police and Fire Departments would be held on March 28.

## C. M. MacGregor Given Honorary PTA Membership

The name of C. M. MacGregor, Albany's celebrated home builder and philanthropist, today has been added to the growing list of outstanding civic leaders in California who have been awarded an honorary life membership in the California Congress of Parents and Teachers.

The honorary membership was awarded by the MacGregor PTA at a recent Founders' Day meeting of local PTA units.

Well known for his prominent place in the growth and development of Albany, MacGregor is equally known for his kindness and love for children. As part of his generous aid to numerous welfare agencies, his help has also made school a more pleasant experience for children of Wilmet, Nova Scotia, who attend the same one-room school that he attended as a boy.

Albany children for years have enjoyed his annual birthday party, "MacGregor Day," which includes a free movie and ice cream. Children of MacGregor School receive birthday and Christmas cards from him each year, in addition to the phonographs, records, books for their library and many other fruits of his assistance to the school bearing his name.

The PTA also awarded honorary memberships to Mrs. Philip Meads and Mrs. Will Betten.

Mrs. Meads is equally energetic as a PTA, church worker and teacher, in addition to devoting much time to the cubs, scouts and Brownies. Her talents in the dramatic and poetic fields have enlivened various PTA and other programs.

Mrs. Betten, whose exceptional ability for organization is recognized in the community as well as in PTA work, was cited for outstanding accomplishments in the child welfare field. She has been greatly instrumental in the success of the Mothers March on Polio, Red Cross, United Crusade and blood donor drives.

ALBANY RED CROSS leaders planning the residential fund drive here March 1-2 are: standing, left to right, Mrs. Eugene Blank, Mrs. E. McConnell, Mrs. Will Betten, general chairman, and Mrs. Benjamin Burnette. Seated, left to right, are Mrs. David Lyon, Mrs. George Nesbitt, and Mrs. Leslie Spivak, vice-chairman.

## Elm Branch Shares Work in Gala Easter Fair Benefit

Members of Elm Branch, Children's Hospital of the East Bay today are busy completing last minute preparations for their part in the annual Easter Fair to be held at the Claremont Hotel in Berkeley, March 6, 7 and 8.

Among the 10 big events geared to the tastes and desires of every member of the family, Elm Branch will have charge of the champagne bar at the Mardi Gras on opening night.

Miss Ruby Fara is heading the committee, assisted by the Mesdames Martin Griffin, Victor Perero, Charles Haynes, Joseph Villa, Bert Kruger and Louis Piziali.

During the three-day benefit event, table settings—each one distinguished in its own artistic right—will be exhibited on the mezzanine floor of the hotel. And the visitor to the fair can see them and express his personal enthusiasm by voting for his favorite.

In addition to the exhibit of table settings, the important spring fashion show at noon on Friday, March 6, will fill all the dining rooms of the hotel. Around 60 of the loveliest Branch members will model handsome spring outfits chosen not only for their importance style-wise, but for their becomingness to the model's personality.

Cornelius Vanderbilt Jr., socialite lecturer and author, is expected to pack the Salem-room with an audience of around 750 for his lecture on "People Who Make the

## Services Held for Thelia Batchelder,

Committal services were conducted from the Chapel of the Chimes in Oakland Tuesday for Mrs. Thelia Batchelder, wife of former Albany City Councilman George E. Batchelder. She died in Pittsburgh, Pa., Friday following a long illness. She was 58.

A former resident at 833 Key Route Blvd., Mrs. Batchelder was a past matron of Parnassus Chapter, OES, in San Francisco and past grand guardian of Job's Daughters in the State. She was founder of the Stitch and Chatter Club in Albany and served as a member of the Oakland Army Base military police during World War II.

A native of Texas, Mrs. Batchelder moved to Albany with her husband in 1920. They moved to Pittsburgh in 1944.

Her husband, the sole survivor, was a member of the Albany Board of Education as well as a councilman and at one time was president of the East Bay Democratic Central Committee.

## Druids to Meet

Albany Druids 120 will conduct an initiation at 8 o'clock tonight at the Macabee Hall, 985 Kains Ave., during which the degree team will perform. Archdruidess Pearl Drake will preside.

## Marin Dads to Honor Scouts, Cubs Tuesday

The Marin Dads Club will observe its annual Scouts and Cubs' night at the regular meeting set for 7:30 p.m. Tuesday in the Marin School Auditorium, it was announced today by President Arthur Smith.

Scout Troop 42 and Cub Pack 3, sponsored by the club, will participate in the program as arranged by Charlie Anderson, charter member of the club and active in scouting for many years.

The scouts will demonstrate various techniques in hiking and camping, followed by a movie which will show a record of some of the past outings.

Cub Pack 3 has planned to have its band perform under direction of Den Mother Mrs. Florence Foselius. Two entertaining skits have been organized by Dens 2 and 3, respectively led by Mrs. Roy Henderson and Mrs. Leslie Spivak.

## Albany Visitors

Mr. and Mrs. Gordon Gadd of Highmore, South Dakota, were guests this week at the home of their uncle and aunt, Mr. and Mrs. J. R. Fish of 847 Madison St.

Mr. and Mrs. Gadd, who operate a large thoroughbred cattle ranch, made the trip west to visit their son, Calvin, now serving with the US Coast Guard in Alameda.

## SEWING CIRCLE TO MEET

The Sewing Circle of Albany OES will meet Thursday, 11 a.m. at the Albany YMCA, 921 Kains Ave.

## Albany Hill Removal Proposed in New Plan

### Variety Show Tonight Will Aid Vets

"The Follies of 1953" will be staged at 8:15 o'clock tonight at the Veterans Memorial Building, Portland and Ramona Aves., under sponsorship of Albany Unit No. 292, American Legion Auxiliary.

Outstanding entertainers from throughout the East Bay have donated their talent for the second annual benefit which will go for the veterans' rehabilitation fund.

Directed by Mrs. Mabel Ryken, the extravaganza production will feature singing, dancing and comedians, including many 'old time vaudeville stars.

One of the outstanding acts featuring local talent is "A Pretty Girl Is Like a Melody," with Barbara Johnson, popular young entertainer, assisted by George Kendall, Mickey Etingoff, Robert Hughes, Ed Coulon and Jerry DeMaria.

A variety of Albany talent is also featured in the chorus and dance numbers.

Mrs. Amelia Cook is chairman of the benefit, assisted by Josephine Foley and Kathryn Etingoff, co-chairmen. Tickets will be available at the door.

## Albany SOROPTIMIST News

Members of the Albany Soroptimist Club were treated to an "old fashioned bean feed" at the monthly luncheon meeting held at the lovely home of Minnie Lou Eakin on Solano Avenue, Wednesday, February 24th. All due credit for the "bean feed" was given co-hostess Bea Raymond, who is a "past master in the art of baking beans. Co-hostesses ably assisting Minnie Lou and Bea were Kathryn Etingoff and Beatrice Williams.

Among the guests present were Mrs. Don Bruce, a former Albany resident, who has recently returned to Albany to live, and Mrs. Ruth Hartman, who brought greetings from her daughter, Carol, the recipient of a Soroptimist Scholarship, and now in training at Merritt Hospital.

May Ellis Olson entertained with many interesting and amusing incidents enjoyed while attending the Mardi Gras in New Orleans.

The surprise of the day was the announcement by Dr. Vera Cass of her recent marriage to M. W. Davis of Los Angeles. Mr. Davis is being transferred from his Los Angeles office to the Bay area and they will be "at home" Tuesday at 725 Wellesley, Berkeley. Dr. Cass

## Albany Girl Wins Legion Contest

Janet Harris, Albany High School senior took top honors in an oratorio contest sponsored by the 10th District American Legion in Oakland Tuesday evening.

Competing with students from eight Alameda County schools, Janet was winner of the first place cash award and gold medal for her speech on "The Constitution, Our Heritage."

The Albany girl will compete in the semi-finals to be held in Berkeley next month, with a chance at the finals to be held in San Francisco March 24.

Janet is a student of Richard Hillman, speech instructor at the high school, and was sponsored by Albany Post No. 292.

## Marin PTA to Show Disney's 'Sea Island'

The 30-minute colored nature film by Walt Disney entitled "Sea Island," will be shown to the entire student body of Marin School Wednesday afternoon under sponsorship of the school's PTA.

The movie is being shown in conjunction with the PTA's current membership drive and the sale of whistle tickets according to Mrs. J. H. McNair and Mrs. W. F. Weston, respective chairmen.

The PTA honored members of Girl Scout Troop 129 with a Valentine's party February 14 at the home of the co-leader, Mrs. Anne Johnson.

Attending with the leader, Mrs. L. W. Middlekauff, were scouts Lelana Baum, Sharon Convery, Rilla Yudinich, Carolyn Carlson, Geraldine Stone, Betty Anne Johnson, Doris Quick, Patsy Gram, Lee Ellen Middlekauff and Lauvenia Duncan.

## Requiem Said for Mrs. Mary M. Kelly

Last rites were conducted Saturday for Mrs. Mary Margaret Kelly, who died Thursday in a local hospital. She was 70.

A resident of Berkeley for 55 years, Mrs. Kelly was residing at 1331 Thousand Oaks Blvd. at the time of her death. She was a native of Nova Scotia, and came to the United States at an early age. She was a member of St. Jerome's Church in El Cerrito.

Survivors include a daughter, Mrs. Vivian Wilkins of Albany; a sister, Mrs. Thomas Brady of San Francisco; and four grandchildren.

Services were conducted from the Ellis-Olson Mortuary, followed by a requiem mass at St. Jerome's Church. Interment was at Holy Cross Cemetery in Coloma.

## Fireman Freddy Says

Be sure to have a fire permit when doing burning of any kind. Permits are issued by the Fire Department on any day but Mondays or when weather conditions make it inadvisable.

## Development Of 300 Home- Sites Seen

Proposed plans for slicing away the upper portion of Albany Hill and developing the area into a new residential sub-division to accommodate 300 additional homes were revealed today by C. H. Eccleston, local realtor.

Speaking before a tentative sponsoring committee composed of over 40 business men and property owners at a dinner meeting Wednesday evening, Eccleston said that the multi-million dollar undertaking would include the following:

1. Creation of the Albany Improvement Assn., a corporation made up and controlled by citizens and businessmen of Albany to carry out the mammoth project.
2. Trimming more than 200 feet off the 345-foot hill.
3. Subdividing the land for the construction of 300 homes.

In disclosing the new project, estimated to cost \$7,000,000, Eccleston said that "up to now this has been a one man project. Now that plans have been completed we need the assistance of a sponsoring committee."

"For the first time we have a composite map in which the grades of the hill will be under 10 per cent and the entire hill would be ideally developed. If it were left to the individual property owners it would be a conglomeration of misfit streets and grades," he said.

Regarding the failure of other proposed developers in the past, Eccleston said "I have found all of their difficulties and have tried to circumvent them. The greatest problem has been that of land ownership."

"For the past several months I have been working to bring about a plan whereby ownership of Albany Hill property would come under the control of one party in order that overall development could be brought about. It has proved to be quite a difficult problem, but now it has been accomplished."

Eccleston explained that the Albany Improvement Assn., would be responsible for carrying out the vast proposal. A board of elected directors would conduct the business of the association.

Through sale of stocks, the necessary down payment for the property would be raised. Eccleston said between \$100,000 and \$150,000 would be needed. The association members would own the property manage the excavation and subdivision of the hill land, and receive the profits from the venture. Removal of dirt and rock would be supervised by the city engineer and a firm of tract engineers.

"Albany, too," said Eccleston "would profit greatly from the proposed development. The city need expansion in many ways. It is hemmed in on all sides with nowhere to expand. You can't find 10 suitable vacant lots in the city upon which to build homes."

Eccleston estimated that 8,000 cubic yards of dirt and rock would be removed. The 345-foot hill would have a gradual slope from 175 feet at the south end to

INCREASE in the enrollment of Albany Pre-School, a cooperative operation of the Albany Recreation Department and Albany Unified School District, has been made possible by the completion of a new 2600 square foot play area. The new area, developed on property leased by the city adjacent to the school

at 850 Masonic Ave., includes a surfaced play yard, sand box and swings. The new play area will accommodate approximately 25 additional tots, increasing the total enrollment to 75, according to Mrs. Nell Curran, director.

30 feet at the northernmost point. It  
would provide an estimated 50 acres  
of land for subdivision.  
Dirt and rock would be sold in  
place on the hill by the association.  
He said the two most probable  
buyers of the earth would be the  
State Highway Department for  
widening the East Shore Highway,  
and the Santa Fe Railroad, which  
eventually plans to relocate its  
tracks offshore. He said the exca-  
vation would take a minimum of  
two years to complete.

Eccleston said almost everyone  
he has talked to "has shown great  
interest and willingness to sponsor  
the plan."

Approval of the Albany City  
Council and Planning Commission  
will be necessary before the vast  
proposal could become operative.

Eccleston said a joint informal  
meeting is being planned in the  
near future with the Council and  
Commission.

After Eccleston explained plans  
before the dinner group, an informal  
question and answer period was  
conducted.

In official action, Joe Villa and  
Eccleston were named to appoint  
an advisory board of 7 or 9 people  
to guide the sponsoring committee.  
Plans call for enlarging the commit-  
tee to some 200 members in the  
future.

#### TV NEWS

By JIM BLANCHARD

The introduction by the movie in-  
dustry of three-dimensional films to  
combat the onrushing threat of tele-  
vision to its box office will have a  
far-reaching effect on the entire en-  
tertainment picture.

First of all, television will bene-  
fit by being flooded with a large  
number of fairly recent movies  
which have been kept back by dis-  
tributors. Why? Because, with 3-D  
pictures coming out, video is the  
only market for these films. The  
movie moguls feel that the new 3-  
dimensional technique will be so  
strong on theater box offices that  
the standard film product, even  
shown for free on TV, won't be a  
competitive threat.

Secondly, this new technique of  
theaters is giving TV engineers  
added impetus to perfect three-di-  
mensional TV pictures, too. How-  
ever, there is no principle known at  
present which will bring three di-  
mensional pictures to television  
without polaroid glasses or with-  
out equipment which will always be  
too expensive for commercial TV  
use. Still, even with glasses it would  
be something!

Television has finally landed Bing  
Crosby. "The Crosby" has become a  
few guest appearances, but until  
now had kept off the medium as a  
regular performer. He's slated for  
a once a month stint to start prob-  
ably around May. It will be filmed.  
Is anybody still holding back from  
TV? Why squint at small, under-  
sized TV pictures... when you  
can have big-screen Du Mont TV  
for so little... with sharp, easy  
to watch 21-inch pictures. Don't  
settles for less. Come in now to

How to make  
good telephone service  
even better....

A personal number list helps to *speed your long distance calls....* Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address. A free personal number booklet... for the local and out-of-town numbers you call most often... is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office... and start your personal number list today.

*emergency calls* may arise while you are using your party-line. If a telephone neighbor breaks in and explains the emergency, it's always thoughtful to hang up and complete your call later.

The children's parties on Saturday will feature "Effic," the baby elephant, now three years old and weighing 1200 pounds—still "little" for an elephant.

The Sub-Deb set will have their own fashion show at 4 o'clock Saturday afternoon, while a formal dinner dance is scheduled for Saturday night.

On "Family Day," Sunday at the Fair, Frank "Skipper" Kent will present his colored pictures made while on safari through Africa. There will be two performances, afternoon and evening, and friends who have glimpsed his pictures say this is "superb photography."

Everyone is invited to attend the Easter Fair, benefit for Children's Hospital of the East Bay. Tickets are available in advance through Branch members for all events.

## Cornell PTA to Stage Play

"Fresh Variable Winds," a one act play by Nora Stirling of the American Theatre Wing, will be presented by members of the Cornell PTA at a meeting 2 p.m. Thursday, March 5, in the school auditorium.

The play depicts what does hap-

pen and what can happen in any home where a 10-year-old boy is spending as few of his waking hours as he can get away with.

GO TO CHURCH SUNDAY.

## JC Paint Project

Members of the Albany Junior Chamber of Commerce will continue their curb-number painting project this Sunday. Proceeds from the 75-cent charge will be used for honoring Albany High School's championship basketball team in March.

## Approved Service

The informal, homelike qualities of our mortuary, the spaciousness of our facilities, and the comfort of our furnishings are the features of our establishment which are most often mentioned appreciatively by those we serve. We cannot, however, begin to list all the aspects of our service which prompt the families we serve to express approval and thanks.

## HOW FAR?

We are told that when Christ was being dragged through the streets of Jerusalem the night before His crucifixion, Peter followed him "afar off."  
Every community has its share of people who follow Christ "afar off." They approve the Church's program, they wish the members well, they "wouldn't think of living in a town without a church," and yet they themselves keep a convenient distance between themselves and the churches of their neighborhood.  
Christ minced no words when He spoke to the irreligious of His day: "He that is of God heareth God's words: ye therefore hear them not, because ye are not of God."  
To follow Christ "afar off" may be as fatal as going in the opposite direction. Your eternal destiny depends upon a fellowship with Him, most intimate, most close, and most enduring. How far are you from Him today?

## Ford

### A new Standard in Style

Never before did your car dollar bring you so much fine car beauty. This new 1953 Ford is longer-looking, lower-looking, more massive looking. It's a match in style for any car at any price. And you get that trend-setting curved one-piece windshield.

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

## does it again!

Again Ford sets the trend!  
It's the New Standard of the American Road.  
With 41 "Worth More" features it's worth more when you buy it... worth more when you sell it.  
While others were scampering to catch up, Ford again forged far out front to bring you the greatest car value ever.

A new Standard in "GO"  
You can choose Ford's 110-h.p. Strato-Star V-8... the only V-8 in Ford's field. Or Ford's 101-h.p. Mileage Maker Six... the most modern Six in the low-price field.

A new Standard in Build  
Ford's quality design Crestmark Body and Ford's new Wonder Ride that shields the car from road shocks, will help keep your Ford feeling and looking young for years.

See it... Value Check it... Test Drive it! '53 FORD

### Local PTA Slates Disaster Training

A simple training course to in-  
form parents what to do in case  
of atomic disaster will be available  
to all parents of MacGregor school  
children in a 4-week course held  
weekly starting Tuesday, 9:30 to  
11:30 a.m., at Cornell school.

The course will be given in the  
audio visual room, and child care  
will be provided by MacGregor  
PTA, who is sponsoring this vital  
series of lectures. Any woman de-  
siring to attend these sessions,  
whether or not having children at  
MacGregor, is invited.

The course will be given by Ger-  
ald Browne, Albany Civil Defense  
Director, assisted by Richard Mc-  
Sheehy, of the Fire Department,  
Sgt. Arthur Smith, of the Police  
Department, and Mrs. Bernice  
Rezat.

Browne has given many hours of  
study and preparation to this pro-  
gram, which is available to all Al-  
bany parent-teacher units. It will  
cover such subjects as "Why we  
need civil defense," description of  
modern warfare including what the  
federal, state and local level is do-  
ing in civil defense; treatment of  
all emergencies in household and  
school, and explanation of all ser-  
vices for protection in wartime and  
peacetime.

The holding of civilian defense  
courses by parent-teacher units has

been advocated by the Berkeley-  
Albany Council of Parent-Teacher  
Associations, and a number of  
Berkeley units have already com-  
pleted such courses.

GO TO CHURCH SUNDAY

4 powerful reasons why  
you get more of what  
you want...

more  
engine power  
more  
staying power  
more  
braking power  
more  
economy

Advanced Loadmaster engine —  
standard on 5000, 6000 Series and  
forward-control models, optional  
on 4000 Series heavy-duty trucks.  
Heavier, stronger, more durable  
frames increase rigidity, add to  
ruggedness and stamina of 1953  
Chevrolet trucks.  
Trucks up to 4000 Series heavy-  
duty models have "Torque-Action"  
brakes. Series 4000 and above use  
"Torque-Action" brakes in front,  
"Twin-Action" in rear.  
New stamina plus extra gasoline  
economy in heavy-duty models  
with Loadmaster engine, reduces  
hauling costs per ton-mile.

(Continuation of standard equip-  
ment and trim illustrated is de-  
pendent on availability of material.)
